

Traveling to HHC 2009 V3 090711 in Fort Collins Colorado

If you are attending HHC 2009 you may drive or fly to get to Fort Collins. Located at 4,800 feet Fort Collins will be quite cool in early October. The HHC 2009 selected hotel, the Cambria Suites, is located at 2921 Harmony Road, Fort Collins, CO, 80528. Telephone 970-267-9000. HP is 0.8 miles east of the hotel across the street at 3404 East Harmony. Hotel details, *Cambria Suites Hotel*, are found elsewhere on this website.

Driving

Figure one shows an overview map of the location of Hewlett-Packard, the Conference Hotel (across the street from HP), and the Denver International Airport, DIA, the solid red "A" baloon on the map below.

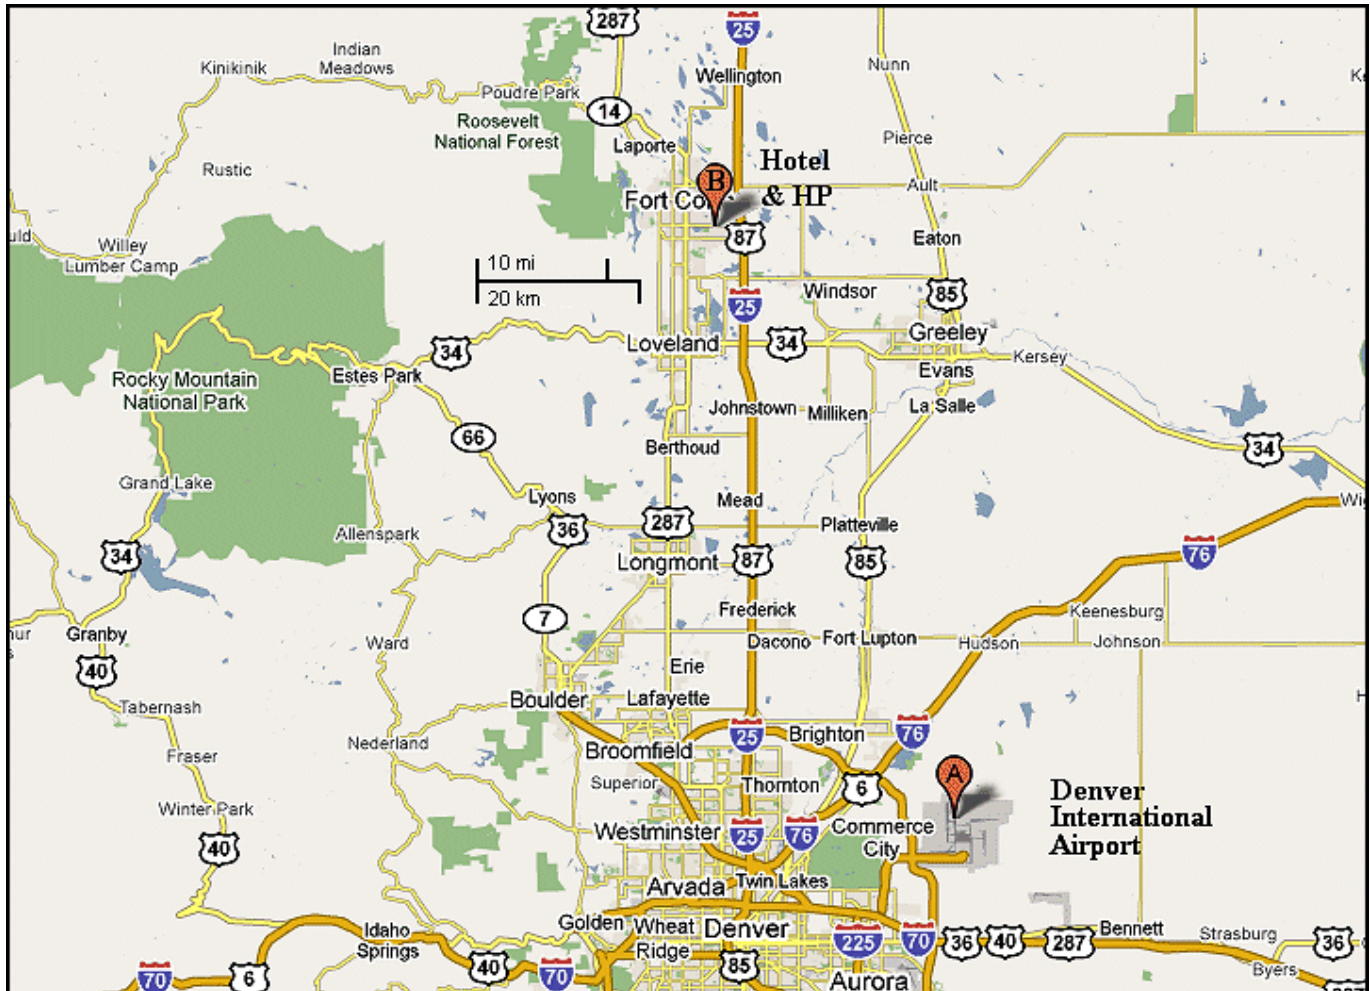

Fig. 1 – HHC 2009 location, Fort Collins (B) Colorado, Denver, and Denver International Airport (A).

If you drive in from the west via Grand Junction (Interstate 70) you have to traverse several high passes and if you have an older vehicle (pre-computer-controlled models?) you may have "altitude" issues. Driving in from the South via Colorado Springs (Interstate 25), however, is much less of an altitude issue.

Flying

Flying to HHC 2009 will require that you fly into Denver International Airport, DIA, which operates 24/7. Figure 2, page three, lists the 18 International and National Airlines that fly into Denver with their phone numbers, concourse location, baggage location, and if curbside check-in is provided. Refer to

<http://www.flydenver.com/maps/index.asp> for maps and details of this large airport. Allow adequate time for “air port confusion” and size.

When you arrive at DIA you will need to take a 40-50 minute shuttle ride (\$25 – \$36) to the hotel. These shuttles run frequently, but you are advised to make reservations for the most efficient use of time. See pages five through seven for additional information about DIA.

Travelers may also obtain information at the Ground Transportation Information Counter located on Level 5 of Jeppesen Terminal. Counter hours are 6:30 a.m. to 11:30 p.m., daily. Services available include:

- Destination information for companies serving DIA
- Directions to transportation company service counters
- Map of transportation pick-up/drop-off areas
- Names of companies which serve area hotels
- Printed materials for commercial companies, including brochures
- Assistance for special groups (with prior arrangement)
- General airport and city information

Contact ground transportation at (303) 342-4059.

About DIA

Customer Service

DIA's customer service begins with the Customer Service staff. Located in airport information booths, these employees answer questions regarding airlines, flight information and how to move around the airport. Staff at the information booths also provide paging services. Customer Service staff can guide you to the best resources to meet your needs, and they can provide tourist information about Denver and Colorado. The airport has an information booth in Jeppesen Terminal and in each concourse.

Courtesy Telephones

White courtesy telephones are located throughout the airport. Dial 2000 for a direct link to Customer Service personnel for paging, information, and to report emergencies.

Ambassadors

Denver International Airport's friendly Hospitality Ambassadors provide information and other assistance for airport guests. You can find Ambassadors, identifiable by their white cowboy hats, throughout the airport. They can help you navigate the airport smoothly; locate gates, services and amenities. These community volunteers can also provide interesting facts about Denver International Airport.

Baggage Carts, Lockers and Storage

Baggage carts are located near ticket counters, baggage carousels and security-screening checkpoints in Jeppesen Terminal, Levels 5 and 6. Cart rental is \$3 and machines accept coins or bills. When you return the cart to any rack you will receive a 25-cent refund. For arriving international travelers, carts are provided at no charge in the Federal Inspection Services area. For the safety of our guests, baggage carts are not allowed on the train, on moving walkways, or on escalators.

Rental lockers are not available at the airport but a baggage storage facility is located in Jeppesen Terminal Level 5. For more information, contact the Airport Baggage Center at (303) 342-5858 .

Credit Union and ATM Services

The Public Service Credit Union branch at Denver International Airport is a full-service financial institution offering a variety of products and services, including savings, checking, loans, mortgages, home banking, travelers' checks, money orders, and much more.

Located on Level 6 in Jeppesen Terminal, with 14 Co-Op Network ATMs positioned throughout the terminal and concourses, Public Service Credit Union provides convenient access to cash and financial services for employees and guests at Denver International Airport. In addition, through its affiliation with the Credit Union Shared Branching Network, credit union members from across the country can easily access their own credit union accounts from DIA.

Interfaith Chapel and Islamic Prayer Hall

The Jewish and Christian Interfaith Chapel and the Islamic Masjid are open 24 hours a day for meditation. They are located on Level 6, Terminal East atrium, near the south end.

Internet Access

DIA provides free WiFi Internet access throughout the airport in Jeppesen Terminal and Concourses A, B, and C.

Your wireless device should automatically detect and connect to DIA's free public wireless network. To connect manually, use the airport's service set identifier (SSID) of DIAFREEWIFI. The SSID is case sensitive, use all capitals when entering the identifier manually.

If you do not automatically connect, or if you are having trouble making a connection, call (888) 490-3771 for 24-hour customer support. Additional information about DIA's WiFi service is available at airport information booths.

Pet Relief Area

DIA has one designated pet-exercise area located outside Jeppesen Terminal on Level 2 West, not far from Door 200.

Pets can wander in a designated enclosed area for relief or exercise. The area is wheelchair accessible. Connecting passengers with pets who want to use the area should plan on at least 30 minutes of travel time to the terminal and back to an airline gate (factor in the time needed to go through security screening again). Because of security restrictions, no area is available outside a concourse.

Post Office

A full-service retail U.S. Post Office is located on Level 6 West of the Jeppesen Terminal. Passengers and visitors at Denver International Airport can mail letters and packages, as well as purchase stamps, commemorative gifts, or packaging materials. Hours of operation are 7 a.m. to 5 p.m., Monday through Saturday.

Rocky Mountain USO Center at Denver International Airport

The Rocky Mountain United Service Organization (USO) Center is for traveling members of the armed forces and their families. It is located beyond security screening in the President's Club at the end of the pedestrian bridge connecting Jeppesen Terminal with Concourse A.

For questions about the USO Center, contact Hedy Margolis, director of the Rocky Mountain USO Center, (303) 342-6876 , or e-mail hmargolis@uso.org.

Smoking Lounge

DIA is a non-smoking airport with the exception of four smoking lounges. The Aviator's Club is located on the west side of Jeppesen Terminal, Level 6, in the atrium. Another smoking lounge, Mesa Verde, is on the center core mezzanine of Concourse A. Concourse B's Aviator's Club smoking lounge is on the mezzanine level, center core. The smoking lounge on Concourse C, Smokin' Bear, is in the concourse level's center core. You can also smoke outside the terminal, but not the concourses.
